

# Save the Boundary Waters

Northeastern Minnesota

## Take Action Today

***Sulfide-ore copper mining  
threatens the Boundary  
Waters.***

**Northeastern Minnesota**

To help support and save our waters from what could be a devastating mining plan, please go to [www.savetheboundarywaters.org](http://www.savetheboundarywaters.org) and click the “Donate” button; or you can click the “Take Action” button, which will bring up an online form for you to sign. This form will go directly to the members of congress asking them to enforce House Bill 5598 (at no charge).
